1. The Schools Division Office of Imus City, through the Curriculum Implementation Division, announces the conduct of **Division Conference on Curriculum-Integrated Science Investigatory Projects (SIP) and International Science Fair Standards Alignment** on **February 25-27, 2026**, at the Multi-purpose Hall of Imus Pilot Elementary School.
2. This activity aims to strengthen the competencies of both learners and teachers to conduct Science Investigatory Projects that comply with DepEd guidelines and international science fair standards.
3. The participant pool in the activity includes secondary-level teachers who will serve as coaches/mentors for students conducting SIPs, alongside Grade 9 and Grade 11 students who will carry out their respective SIPs. Each school shall register two (2) teachers and three (3) learners not later than February 10, 2026. The registration link will be forwarded to the Junior and Senior High School cluster heads.
4. Enclosed are the training guidelines, matrix and management team.
5. No registration fee will be charged. Costs for training materials, honoraria, and meals for participants and the Program Management Team shall be charged against the Special Education Fund (SEF), subject to standard accounting and auditing rules and regulations.
6. An online meeting is scheduled on **February 13, 2026**, at 2:00 PM via Microsoft Teams for learning facilitators, PMT members, and secondary school Head Teachers/Subject Coordinators.

## **TRAINING GUIDELINES**

### **Meals**

The first meal to be served is AM snack of Day 1 and the last meal is the PM snack of the last scheduled day. Kindly advise the management team of any food restrictions.

### **Attire**

Teacher-participants are expected to wear smart-casual attire for the entire duration of the training, while the learner-participants shall be in their prescribed school uniform. Learning facilitators and resource persons are expected to wear business formal attire.

### **Training Evaluation**

Daily evaluation and end-of-program evaluation of the training is needed to further improve the conduct of the training program. In this regard, the participants are expected to evaluate daily and to accomplish the end of the program evaluation.

### **Other Information**

The activity is a three-day live-out program. Full attendance of all registered participants is highly encouraged. The participants are requested to provide their own laptops and extension cords, along with other necessary portable devices for the workshop. All training materials will be provided by the management team in soft copy.

Participants are advised to take proper care of their belongings and always observe necessary safety precautions. The organizers shall not be held liable for any loss or damage to personal property. Participants with medical conditions should bring and take their prescribed maintenance medications to prevent any incidents. School heads are likewise advised to secure the necessary parental consent or student permits for learner-participants.
