Junior Achievement of the Philippines, Inc. (JA Philippines), a member of JA Worldwide, proudly serves as the implementing arm of Junior Achievement programs in the country. Guided by JA Worldwide's unwavering commitment to empowering youth globally, the organization has been nominated for the Nobel Peace Prize for five consecutive years—an achievement that reflects the impact of its mission in advancing youth education and economic empowerment.

The **AFLT Certification** is a Continuing Professional Development (CPD)–boosted teacher training initiative conducted in partnership with Wells Fargo. This program is designed to:

- Strengthen educators' capacity in **Financial Literacy** and **Innovative Teaching Techniques**.
- Integrate Artificial Intelligence (AI) competencies into classroom instruction.
- Support the goals of the Department of Education (Philippines) in enhancing teacher quality and advancing digital literacy among educators.

This program is officially accredited, and successful participants will earn **Five (5) CPD Points**, which will be issued upon passing the examination and attending the **AI in the Classroom Workshop**. The CPD certificate will serve as formal proof of accreditation and compliance with professional development requirements.

For participants who were unable to pass the initial examination, the testing period has been extended until **March 19, 2026** to provide additional time to review the materials and retake the assessment. Participants who successfully complete the requirements within the extended period will remain eligible to receive the corresponding CPD points and certification.

Attached is the list of teachers who did not pass the examination and those who have not yet taken the exam.
