Dear Sir,

Greetings in the name of building next generation Champions!

It is with honor to present to your good office a partnership opportunity for health, fitness and physical welfare of Filipino families, including our learners. As MILO celebrates its 59th year in the Philippines, the most trusted name in nutritious drink shares its heritage and success with you as we renew our commitment to build a strong nation of champions and our advocacy of sports and nutrition through our **MILO Champ Camp**.

MILO Champ Camp is a program that engages with students through sports modules and nutrition without disrupting classes. Student engagement includes sports module on fundamentals in different sports, developed in partnership with the University of the Philippines College of Human Kinetics. After a 20-minute exercise, students are then given a cold cup of MILO. This program is set to be implemented on **June to December 2026**.

We hope to gain your support for our programs as we continue to help build champions through the promotion of sports and a healthy, active lifestyle.

Sincerely yours,

HANS CHUA
