Dear Superintendent Palomar,

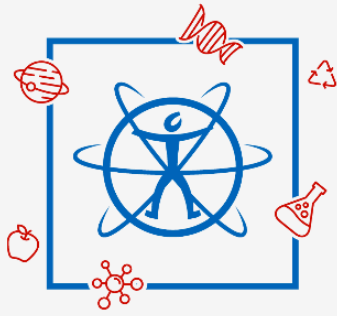

Greetings from the Science Clubbing Movement!

On its 54th year of serving the Filipino youth as the first and largest umbrella organization for science clubs in the Philippines, the Pambansang Kapisanan ng mga Kabataan Samahan ng Agham (PSYSC), Inc., remains committed to promoting the public understanding of science, technology, and the environment (PUSTE) through quality programs and activities for elementary and high school students nationwide.

As mandated by the *Presidential Proclamation No. 264, s. 2002*, PSYSC annually spearheads the celebration of **National Science Club Month (NSCM)** every September. The month-long celebration begins with the **National Science Clubs Summit (SUMMIT)**, a one-and-a-half-day event featuring lectures, workshops, and interactive activities designed to foster scientific interest and camaraderie among junior and senior high school science club members. Other major NSCM activities include the **PSYSC Science Olympiad (PSO)**, a nationwide inter-school quiz competition for both elementary and high school students; **Mathematics, Science, at Kapaligiran (MSKA)**, a science-focused event comprising regional workshops during SUMMIT and a culminating national competition held in NCR; and the **I Teach Science Seminar (ITSS)**, which equips science educators with innovative, engaging pedagogical strategies through lectures and workshops.

To make the spirit and opportunities of NSCM more accessible to science club members across the country, PSYSC has established multiple regional centers to ensure broader participation and inclusivity. The SUMMIT, ITSS, MSKA Interactive and Engineering Science Challenge, and the PSO National Eliminations will be conducted simultaneously on **September 5-6, 2026**, across the following regions: Regions I, II, III, V, VI, IX, XI, and XIII. This simultaneous implementation allows students from diverse parts of the Philippines to experience NSCM within their respective localities.

Additionally, independent sites for the PSO National Eliminations will be held on September 5, 2026, in selected regions to further expand accessibility and
