Dear Mr. Palomar,

Greetings!

PHINMA Education remains committed to *making lives better through education*. While we continue to offer affordable, quality academic programs, we also recognize the need to equip students with the resources they need to pursue education.

Alongside this, we seek your permission to conduct **scholarship application activities** for Grade 10 and Grade 12 students. These programs provide essential financial support and promote access to quality education.

**For Grade 12 Students:**

We offer the **Hawak Kamay Scholarship** – a non-academic grant for incoming college students with the following benefits:

- No grade maintenance required (students must pass all subjects)
  - Tuition fees may go as low as ₱5,500.00 per semester (final amount determined after phone interview)
  - Open to all courses offered at PHINMA Education schools.
  - No entrance exams
- With course-specific duties and behavioral expectations

**For Grade 10 Students:**

We offer an affordable **Senior High School program** with the following inclusions:

- ₱200 downpayment only
- No additional miscellaneous fees
- Free 1 set of school uniform
- Automatic government SHS voucher (₱17,000) for public school completers
- Automatic HK10 college scholarship (no grade requirements)
- No entrance exams

Should you allow us, we can facilitate the entire scholarship application process—including a short orientation, in **approximately 15 minutes** per group.

We respectfully request your approval to conduct scholarship application activities at your schools in the City of Imus. We believe that through these scholarship initiatives we can work together to support the holistic development of students across Imus City. **We would also be grateful if we can set a meeting to discuss our proposal and to formalize the partnership.**

Please contact our supervisor, Ms. Danielle Eunice Pascual Quirante, at 09176301064 or email [epquirante.sjcdc@phinmaed.com](mailto:epquirante.sjcdc@phinmaed.com) for any clarifications or to arrange a meeting at your preferred time.

We thank you for your continued partnership and support for your students' holistic growth. We look forward to your favorable response and to working closely with your school community once again.

Warm regards,

  
Ryn Jun F. Abacajin
