Re: Eat Well, Live Well: 2026 Youth Summit – Region IV-A

Dear Atty. Escobarte,

Warm greetings! On behalf of Redscope Communications, Inc., in partnership with Ajinomoto Philippines Corporation, we are pleased to inform your good office that following the successful staging of the Eat Well, Live Well: Youth Summit in Manila (2023), Cebu (2024), and Davao (2025), the program is set to expand to Region IV-A (South Luzon) on January 30, 2026.

This initiative, organized in collaboration with the Department of Education, aims to reach and empower Filipino youth through engaging discussions on nutrition, sustainability, and environmental stewardship. Each leg of the summit has brought together over 200 senior high school students and educators to learn, share, and commit to building healthier and more sustainable communities.

Building on the positive outcomes of the previous summits, the Eat Well, Live Well Youth Summit – Region IV-A will feature plenary talks, fireside discussions, and interactive breakout workshops highlighting:

- ☐ Healthy and Sustainable Eating Habits
- ☐ Reducing Food Loss and Waste
- ☐ Youth as Agents of Change

Shaw

We are honored to share that Assistant Secretary Georgina Ann A. Yang, from the Office of the Assistant Secretary for School Health and Nutrition, has been invited to deliver the Keynote Address.*

In this connection, we would like to cordially invite you, Director Escobarte, to deliver the Opening Remarks during the Region IV-A Youth Summit. Your message of leadership and encouragement will truly inspire our participating youth and partner educators to champion healthier and more sustainable lifestyles in their schools and communities.

We also seek the endorsement and support of DepEd Region IV-A to mobilize 200 senior high school students from selected schools across the region to participate in the event. Likewise, we hope to engage the Department of Agriculture (DA) and Department of Environment and Natural Resources (DENR) regional offices as partner agencies for the panel discussions.

For your reference, please find attached the video documentation of the Davao Youth Summit, which captures the highlights, outcomes, and positive feedback from participants.

We sincerely look forward to your participation and continued support in advancing our shared goal of empowering Filipino youth to eat well, live well, and build a sustainable future.

With warm regards and appreciation,

Sarah C. Coe
